DIAL-A-RIDE TRANSIT

Effective June 2009

**DART services and fares are subject to all
changes made to the Fixed Route Bus System**

WWW.GOCMRTA.COM

WHAT IS DART PARATRANSIT SERVICE?

DART is a curb-to-curb, advanced reservation, shared ride transportation service for people with disabilities who are unable to access CMRTA buses. Riders share the vehicle with others and there are no restrictions on the trip purpose or frequency of reservations. DART operates a fleet of specially designed and equipped vehicles which can accommodate certified riders who utilize mobility devices that meet ADA guidelines. Our wheel chair lifts can accommodate up to 600Lbs. DART can help you receive training to learn to ride fixed route buses.

HOW MUCH DOES DART COST?

DART costs \$3.00 per one-way trip. **DART Operators can not make change.** Please have exact fare ready to give the operator prior to boarding the vehicle. Tokens can be pre-purchased by calling 255-7123.

HOW DO I BECOME CERTIFIED TO RIDE?

To apply for DART eligibility certification, request an application by calling the DART staff at (803) 255-7123 or by writing to: DART Application Request, 3613 Lucius Rd, Columbia, SC 29201.

DART/CMRTA reserves the right to periodically require the re-certification of rider eligibility.

HOW DO I SCHEDULE A TRIP?

To request a trip, call the DART reservationists at (803) 255-7123. Trip reservation requests are accepted between the hours of 9:00 AM and 5:00 PM Monday through Sunday. After 5:00 p.m., requests for next—day service cannot be accommodated.

Trip requests may be made up to fourteen (14) days in advance. DART reservationists will make trip confirmations at the time of scheduling.

DART DOES NOT ACCEPT SAME-DAY TRIP REQUESTS

A GUIDE TO DART PARATRANSIT SERVICES

When calling DART your call will be answered in the order it is received. Every time you hang up and call again, you will move to the end of the line. Please remain on hold for the next available reservationist. For quality assurance, all phone calls may be recorded.

Be prepared to provide this information to the Reservationist in the following order:

- Name
- Date you will be traveling
- Pick-Up address (including numeric address, apartment and/or building name/number)
- Time you would like to be picked up OR time you need to reach your destination
- The physical address of your destination (including specific drop-off information)
- Telephone number at your destination
- If a PCA (Personal Care Attendant) or Companion will be traveling with you
- If you will be using a mobility device

When scheduling rides for specific times, please follow these suggestions:

- Allow adequate time to reach your destination
- Allow extra time for the pick-up and drop-off of other passengers before reaching your destination
- Allow for traffic conditions and weather delays

In compliance with the ADA, DART may negotiate with riders for mutually agreed upon pick-up times that may be within 1 hour before or 1 hour after the requested time.

HOW LONG WILL MY TRIP TAKE?

Travel time on Paratransit is comparable to the amount of time it would take to make the same trip using our fixed-route bus service, with connections. The average trip length is about 30 minutes, and a trip may exceed or fall below that average depending on the circumstances.

OR SAME DAY SCHEDULE CHANGES

WHERE DO I WAIT FOR MY RIDE?

Riders must be waiting at the sidewalk, or at another safe waiting area in front of, or as close as possible to, the entrance of the pick-up location. Operators will wait for a rider at the curb of a public street, in front of, or as close as possible to, the rider's house, building or other designated pick-up location. The operator cannot enter the building or come to the door to assist riders. If a rider will need assistance exiting the pick-up location, a companion or personal care attendant must be available to assist. **DART operators do not provide PCA service.**

For drop-offs, the operator will drop the rider off at the sidewalk, or another safe waiting area next to the curb or a public street in front of, or as close as possible to, the designated drop-off location.

If a rider cannot be left unattended (as a result of his or her disability or impairment), a companion or PCA is required to receive the passenger upon arrival. In the event that a PCA or companion is not at the drop off location when the vehicle arrives, an additional fare may be charged.

WHEN DO I NEED TO BE READY?

DART vehicles will arrive any time within a 30 minute ready window. This ready window starts 15 minutes before your scheduled pick-up and ends 15 minutes after your scheduled pick-up. For example, if your pick up is scheduled for 9:00AM, your van will arrive any time between 8:45AM and 9:15AM.

Please be ready to board the vehicle immediately upon arrival, or your vehicle will leave after 5 minutes, and you will be considered a No Show. For example if your pick-up is scheduled for 9:00AM and the van arrives at 8:45AM, you must present yourself to the van by 8:50AM.

WHAT IF MY VEHICLE IS LATE?

If the vehicle has not arrived by the end of your 30 minute ready-time window, please call DART at 255-7123.

WHAT HAPPENS WHEN MY VEHICLE ARRIVES?

DART operators will wait 5 minutes for a rider to board the vehicle. If a rider does not board the vehicle within the 5 minute wait time, the operator will depart the location. DART is not required to call the rider when the vehicle arrives or before leaving the pick-up location; riders are expected to be ready to board the vehicle upon its arrival. When your vehicle arrives you are required to present the exact fare for yourself and any companions. Please note: The operator can not take you to your requested destination without the required fare.

WHAT ARE NO SHOWS?

A No Show occurs when you fail to board the vehicle within the 5 minute ready-time window. Please call 255-7123 to confirm trips for the rest of the day. No Shows are still charged the full fare of \$3.00 for the ride. This must be paid before any additional service from DART can be requested. For more information on appealing a No Show, please see our No Show Policy brochure.

WHAT ARE EXCESSIVE NO SHOWS?

Any DART rider who is assessed more than 3 No Shows in a 30 day period will be subject to a suspension of service. Please see our No Show Policy Brochure for more information.

HOW DO I CANCEL MY TRIPS?

Trips no longer required by a rider, whether demand or Subscription **must be cancelled at least 24 hours** prior to the schedule pick-up time. A trip cancelled **less than 24 hours** ahead of time will be considered a No Show and charged the full fare of **\$3.00** for the ride. This must be paid before any additional service from DART can be requested. DART staff understands that circumstances arise which would prevent a passenger from canceling their trip 24 hours in advance. If you would like your Late Cancellation reviewed, our appeals committee and staff will do so.

WHO CAN ACCOMPANY ELIGIBLE PASSENGERS?

Personal Care Attendant

A personal care attendant can accompany a registered DART rider at no additional charge. Your file must indicate that you were certified as eligible to have a PCA travel with you, and you must reserve space for the attendant when scheduling your trip.

Guests

A guest is welcome to ride with you for \$3.00 per trip. Due to limited space, each rider is allowed one guest per trip. You must reserve space for your guest, whether adult or child, when scheduling your trip. Seating for more than one guest is on a space available basis when scheduling your trip.

Service Animals

Guide dogs and other service animals are permitted on all CMRTA vehicles and are allowed to accompany you if this need is indicated in your file. When scheduling a trip, please inform DART if a service animal will be accompanying you on the trip.

HOW MANY PACKAGES CAN I BRING ON THE VEHICLE?

Carry-ons are limited to 3 grocery bags or similar sized packages onboard DART vehicles. Operators can help a rider carry three packages on and off the van from the same sidewalk waiting area where the rider boards and gets off the vehicle. Operators cannot carry any packages to the door. Packages should weigh no more than 25lbs. each.

ARE VISITORS ABLE TO USE DART SERVICES?

Out-of-town visitors who are ADA eligible can use DART services. Please contact the DART reservation office at 255-7123 Monday-Friday.

WHAT IS SUBSCRIPTION SERVICE?

Subscription Service is limited to riders traveling to the same place at the same time on reoccurring days (for example: every Monday, Wednesday, Friday or the first Monday of the month, or the 1st and the 15th of the month). DART reserves the right to restrict and/or prioritize Subscription Service, to maintain a maximum level of 50% as required by the ADA, when there is no excess demand capacity available. DART will terminate any Subscription Service that is cancelled more than 50% of the time in any 30 day period, or if any changes to the ride, including times and/or locations, are made.

WHERE AND WHEN CAN I TRAVEL ON DART?

The following pages describe where and when you can access DART. Please call 255-7123 to find out about a specific location.

DART service days, areas and times of service are based on the Fixed Route bus system. DART riders can access the same areas, on the same days and at the same times, that a person using the fixed route bus system can. The areas you can go to vary depending on the time of day and day of the week. Not all areas are available at all times.

Please make sure when booking your trip that both the area you are coming from and the area you are going to are available for DART services at the same days and times you are requesting.
